For: MAGNESIUM PRESSURE CASTING

Attorney Docket No.: U 014758-5

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

COMMUNICATION

The Advisory Action of July 8, 2005, is mooted by the Request for Continued Examination filed July 11, 2005, but still merits comment.

The Response dated May 10, 2005, was received by the Office May 9, not June 8, 2005. A copy of the receipt from the Patent Office is attached with apologies for sending it a day ahead of its fax certificate.

CERTIFICATE OF MAILING/TRANSMISSION (37 CFR 1.8a)

I hereby certify that this correspondence is, on the date shown below, being:

MAILING

- ☐ deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to the Commissioner for Patents, P. O. Box 1450, Alexandria, VA 22313-1450

FACSIMILE

- ☒ transmitted by facsimile to the Patent and Trademark Office to (571)-273-8300

Date: July 21, 2005

William R. Evans
(type or print name of person certifying)

The claims in the response dated 10 May and received in the Patent Office 9 May are not exactly the same as the Amendment of April 22, 2005. Therefore, the rejection cannot remain the same.

An affidavit was filed June 8, 2005, but the Patent Office has yet to respond to the Amendment or Response of May 17, 2005 (copy attached with a copy of its receipt and apologies for its date). Allowance of the application is still merited by its reasons.

Respectfully submitted,

William R. Evans
